### Contingency Fee Discount

Attorneys often work on a contingency fee basis on such cases as personal injury and collections. This fee is usually expressed as a percentage of the amount collected or awarded. In some cases, fee maximums are set by state law.

In these matters, your fees will be a 10% reduction of the state maximum rate or the attorney's usual rate, whichever is lower.

## FAMILY LEGAL PLAN

### Guaranteed Low Hourly Rate

Plan attorneys have contracted to charge no more than **\$125.00 per hour**, or 40% off their usual and customary hourly rate, whichever is greater, for extended legal care.

Legal Club's discounted hourly rate represents up to a 40% savings off the national average hourly rate charged by partner attorneys.

### Retainer

In the case of extended legal care, plan attorneys may ask members for a retainer. Any retainer sought, will be computed by multiplying the number of hours a plan attorney estimates a case will take, by the plan's discounted hourly rate. For instance:

$$10 \text{ hours} \times \$125.00 = \text{a retainer of } \$1,250.00$$

Any unused portion of the retainer will be returned to the member.
